Please do not hesitate to use our on-line assistance form to find the solution that best meets your situation or contact us by email at contact@asfe-expat.com or by phone at **+33 (0)1 44 20 48 77** for any further information.

By mail

You need to send us:

- The enrollment form completed and signed,
- The medical questionnaire completed and signed, along with the additional medical details (on an additional page that you will date and sign) if you answered yes to any questions in the medical questionnaire,
- A copy of your identity card or passport,

WHO CAN APPLY?

All persons over the age of 16 and under the age of 66 who wish to benefit from health insurance during their stay abroad, regardless of their status (traveller, student, WHV, assignment, trainee, etc.).

IS START'EXPAT PLAN A COMPREHENSIVE OR COMPLEMENTARY COVERAGE?

The START'EXPAT plan provides comprehensive coverage and reimburses 100% of actual charges incurred from the 1st euro in the event of hospitalization or unforeseen medical expenses (see “Your benefits in detail”), without deductibles.

IT IS NECESSARY TO MAKE CASH ADVANCES?

In the event of hospitalization or medical expenses over €400, we pay the hospital or healthcare facility on a direct basis, avoiding you to pay upfront for your medical costs.

For outpatient care (consultations, prescription drugs, etc...), you need to pay for your medical costs first and then to send us your bills and supporting documents in order to receive reimbursement within 72 hours after receipt of your claim file.

HOW FAR IN ADVANCE SHOULD I PURCHASE COVERAGE AND IS COVERAGE EFFECTIVE IMMEDIATELY?

No waiting period is applicable and your policy may be effective as early as the next day following your online enrollment or upon receipt of your request sent by mail, or at a later date of your choice, selected upon your enrollment (but no later than two months as your medical questionnaire is only valid for two months).

However, in order to go overseas with total peace of mind, we recommend you enroll at least 10 to 15 days before the requested date so that you will receive your “Welcome Package” before your departure.

WILL I RECEIVE DOCUMENTS AFTER MY ENROLLMENT IS COMPLETED?

Of course, upon acceptance of your duly documented request for coverage, we will send you a “Welcome Package” by email including: a certificate of coverage mentioning your ID number and your password allowing you to access your Participants' Pages on our website, a certificate in English upon request, your insurance ID card which will permit you to benefit from hospital precertification, the terms and conditions of your policy and the guide to insured members detailing all the general procedures applicable to your plan.

IS IT POSSIBLE TO ENROLL FROM ABROAD?

Absolutely, you can directly enroll via our website www.msh-intl.com from any country in the world, excluding the USA (please contact us in that case).

WHAT WOULD YOU RECOMMEND BEFORE GOING OVERSEAS?

We recommend you have a medical check-up (in particular, vaccination booster shots and a comprehensive dental exam) as well as a medical consultation if needed, in order to have a medical certificate issued to authorize the practice of all types of sports (e.g.: scuba-diving).

We also advise you to take with you a first-aid kit including basic pharmaceutical products of everyday life, as well as your prescriptions if needed. It is also important that you communicate your insurance policy number and our contact details to a friend and/or your family, as well as your address and telephone number on site.
