INTERNATIONAL LIFE & DISABILITY INSURANCE FROM MSH INTERNATIONAL, IT'S SO SIMPLE!

The life & disability benefits provided under your plan have been designed to support you through life's difficult times: sick leave from work, loss of autonomy, death... These benefits allow you to maintain your standard of living and protect your loved ones from financial hardship.

01 /

BASIC COVERAGE: **DEATH/PERMANENT TOTAL DISABILITY BENEFIT**

The sudden loss of a loved one, following an accident or illness, is, unfortunately, often accompanied by financial difficulties. In the event of death or Permanent Total Disability, your designated beneficiary (or beneficiaries) will receive the lump sum specified by you in your enrollment form.

Choose your level of Death/Permanent Total Disability benefit (All Causes). This is the only compulsory Life & Disability benefit you need to select in order to access the other optional benefits.

This lump sum can be of any amount between **€25,000** and **€1,000,000** (in multiples of €25,000).

You can also opt to double this lump sum in case of Accident.

02 /

OPTIONAL: **DISABILITY BENEFIT (ALL CAUSES)**

Your **Disability Benefit (All Causes)** is a cash payment which is paid as a lump sum if you are disabled and if the degree of disability is greater than 33% according to the scale set out in the plan.

This lump sum can be of any amount between **€25,000** and **€1,000,000** (in multiples of **€25,000**) and can not exceed the level of the Death lump sum already selected.

OPTIONAL: **INCOME PROTECTION**

In case of temporary total incapacity to work, your level of income may fall sharply. **Our income Protection benefit allows you to maintain your standard of living** and honor your financial commitments by paying you a daily allowance.

This daily allowance will replace **70% of your income**.

There are two types of benefits which can be taken out individually.

Short-term disability: you will be covered from the 1st day in the event of sick leave from work due to hospitalization or accident, and from the 7th day in the event of illness.

Payment of this allowance will end on the day on which you completely recover from the accident or illness but no later than after expiration of a period of time chosen by the insured member: **30 days, 60 days** or **180 days**.

Long-term disability: this allowance can supplement the Short-term disability benefit but is not compulsory. Therefore the benefit can be purchased even if you have not opted for the Short-term disability benefit. This benefit will be paid after expiration of a total and uninterrupted period of sick leave from work known as the "waiting period", which can be chosen from these options: **30 days, 60 days, or 180 days**, for a maximum duration of 1,095 days of sick leave.

OUR ANSWERS TO YOUR FREQUENTLY ASKED QUESTIONS

HOW DO I TAKE OUT THE INSURANCE?

Go to the “Our solutions” section of the website at www.msh-intl.com. Once you have identified the plan which meets your needs, click on **ENROLL ONLINE** and follow the instructions.
Feel free to use the online support to help you find the solution that best suits your situation. For further information, contact us directly by email at contact@asfe-expat.com or by telephone on **+33 (0) 1 44 20 48 77**.

WHO CAN APPLY?

ASFE plans are available to adults under the age of 66, and anyone under the age of 71 in paid employment, who wishes to benefit from individual or family healthcare/life & disability protection when residing outside of their home country.

I SOMETIMES HAVE TO TRAVEL OUTSIDE MY CHOSEN PRICING ZONE. WHAT WILL HAPPEN TO MY HEALTHCARE COVERAGE?

If you're traveling in a lower pricing zone than the one you selected, you'll be covered exactly as you are in your country of expatriation. If you're traveling in a higher pricing zone, you'll be covered only for accidents and illnesses in an emergency.

I WOULD LIKE TO OPT FOR A MORE EXPENSIVE PRICING ZONE THAN THE ONE FOR MY COUNTRY OF EXPATRIATION: IS THAT POSSIBLE?

Yes. If you wish to opt for a more expensive pricing zone than the one for your country of expatriation, and so benefit from a wider choice of destinations where you can be treated, it's possible to select any superior pricing zone.

I WOULD LIKE TO CHANGE MY LEVEL OF COVERAGE WHILE THE PLAN IS ACTIVE: IS THAT POSSIBLE?

On the anniversary date of your plan, you can increase or decrease your level of coverage only once for the entire duration of your plan (by changing your healthcare package, adding or removing an option or a deductible etc.) However, once this change has been approved, you will not be able to change your level of coverage again.

DO WAITING PERIODS APPLY TO YOUR PLANS?

For hospital treatment and routine medical care (such as, for example, seeing a doctor, buying medication etc.), there is no waiting period: you'll be covered as soon as your application for coverage is approved, except for psychiatric care where there is a 12-month waiting period.

If you have selected the “Health +” or “Health+Child” options, waiting periods may apply and these are shown previously in the benefits schedule.

IS IT NECESSARY TO MAKE CASH ADVANCES?

In the event of hospitalization or medical expenses over €, we pay the hospital or healthcare facility on a direct basis, avoiding you to pay upfront for your medical costs. For outpatient care (consultations, prescription drugs, etc.), you need to pay for your medical costs first and then to send us your bills and supporting documents in order to receive reimbursement after receipt of your claim file.

I WAS PREVIOUSLY COVERED UNDER ANOTHER PLAN. CAN THE WAITING PERIODS IN YOUR PLANS BE WAIVED?

Yes. If you were previously covered under a plan with an equivalent level of coverage in respect of benefits provided, reimbursement rates and coverage limits, the waiting periods for dental and vision benefits will be waived. The waiting period for Maternity, however, will remain in place.

HOW LONG BEFORE I GO ABROAD SHOULD I TAKE OUT THE INSURANCE?

We advise you to submit your application as early as possible to make sure it's processed promptly. The earliest you can enroll is three months before going abroad and no later than two days before the required date.

WHEN DOES MY COVERAGE TAKE EFFECT?

MSH INTERNATIONAL can register your enrollment at the earliest on the day following receipt of your application, subject to your medical questionnaire being approved and us having received all the necessary enrollment documents, including your payment.

WHAT IS THE MINIMUM ENROLLMENT PERIOD?

Plans are taken out for a minimum period of 6 months. The plan is then automatically renewed for one year on the anniversary of its effective date.

HOW DO I PAY MY PREMIUMS?

You can pay your premiums:

- in euros by SEPA CORE direct debit from an account in France, by check or credit card (online payments via our secure website or by telephone with one of our administrators),
- in US dollars by wire transfer or credit card.

Please note that, when you take out the insurance, the first payment must be made by check in euros or by credit card in euros or US dollars.

I HAVE SOME OTHER QUESTIONS: WHO SHOULD I CONTACT?
