CO-PAIEMENT AND COST-SHARING

In the USA, a co-payment system applies: it is a fixed amount determined in the plan per treatment, procedure or visit which is payable by the member before receiving reimbursement. Similarly, cost-sharing applies to hospital and consultation costs. Co-payments and cost-sharing vary depending on the package and healthcare provider chosen (in or out of network).

We reimburse your medical expenses in more than 150 currencies. If you wish to opt for coverage in dollars, the premiums will also be paid in dollars..

OUR ANSWERS TO YOUR QUESTIONS

HOW DO I TAKE OUT THE INSURANCE ?

Go to our website www.msh-intl.com and click on "Get a quote". You can also fill out an enrollment form and email it to us.

For further information, contact us directly at contact@asfe-expat.com or by telephone on +33 (0)1 44 20 48 77.

WHO CAN APPLY ?

Our plans are available to adults under the age of 66, and anyone under the age of 71 in paid employment, living outside of their home country.

I SOMETIMES HAVE TO TRAVEL OUTSIDE MY CHOSEN PRICING ZONE. WHAT WILL HAPPEN TO MY HEALTHCARE COVERAGE ?

We have divided countries into 5 pricing zones depending on local healthcare costs. You can choose your zone when taking out the insurance.

If you're traveling in a lower zone of coverage than the one you selected, you'll be covered exactly as you are in your country of expatriation.

If you're traveling in a higher zone of coverage, you'll be covered only for accidents and illnesses in an emergency.

CAN I BE COVERED FOR SEVERAL COUNTRIES OF EXPATRIATION ?

Yes.

We have divided countries into 5 pricing zones depending on local healthcare costs. You can choose your zone when taking out the insurance.

You can opt for a higher pricing zone in order to be covered in all your countries of expatriation. It's possible to select any pricing zone.

I WOULD LIKE TO CHANGE MY LEVEL OF COVERAGE WHILE THE PLAN IS ACTIVE: IS THAT POSSIBLE ?

On the anniversary date of your plan, you can increase or decrease your level of coverage only once for the entire duration of your plan (by changing your healthcare package, adding or removing an option or a deductible etc.) However, once this change has been approved, you will not be able to change your level of coverage again.

HOW LONG BEFORE I GO ABROAD SHOULD I TAKE OUT THE INSURANCE ?

The earliest you can enroll is three months before going abroad.

DO WAITING PERIODS APPLY TO YOUR PLANS ?

Yes, waiting periods apply to our plans for :

- psychiatric care and treatment
- dental, vision and maternity optional benefits

For hospital treatment and routine medical care (such as, for example, seeing a doctor, buying medication etc.), there is no waiting period: you'll be covered as soon as your application for coverage is approved. For further information, please refer to the benefit schedules.

I WAS PREVIOUSLY COVERED UNDER ANOTHER PLAN. CAN THE WAITING PERIODS IN YOUR PLANS BE WAIVED ?

Yes.

If you were previously covered under a plan with an equivalent level of coverage in respect of benefits provided, reimbursement rates and coverage limits, the waiting periods for dental and vision benefits will be waived. The waiting period for maternity, however, will remain in place.

WHAT IS THE MINIMUM ENROLLMENT PERIOD ?

Plans are taken out for a minimum period of 6 months. The plan is automatically renewed for one year on the anniversary of its effective date.

WHEN DOES MY COVERAGE TAKE EFFECT ?

You are covered on the effective date chosen when taking out the insurance (1st or 15th day of the month), at the earliest on the day following your enrollment.

HOW DO I PAY MY PREMIUMS ?

You can pay your premiums:

- in euros by SEPA CORE direct debit from an account in France, by check, wire transfer or credit card (online payments via our secure website or by telephone with one of our administrators),
- in US dollars by wire transfer or credit card.

Please note that, when you take out the insurance, the first payment must be made by check in euros or by credit card in euros or dollars.

I HAVE SOME OTHER QUESTIONS : WHO SHOULD I CONTACT ?
